### EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. Claims 1-3, 5, 8, 9, 11, and 20-23 (renumbered claims 1-11) are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding *claims 1 and 22*, the primary reason for allowance is that the prior art fails to teach or reasonably suggest storing the high resolution images for an ordering period after which the first resolution images are transferred to a computer of the recipient and the high resolution images are converted to low resolution image and added to the user's low resolution images at the service provider.

As for *claims 21 and 23*, the primary reason for allowance is that the prior art fails to teach or reasonably suggest that the service provider can look for images to which an icon provided by the user has been applied and automatically forward the images to the user.

With regard to *claim 5*, the primary reason for allowance is that the prior art fails to teach or reasonably suggest using content identifiers associated with the user to automatically recognize content within the digital image and automatically transmit the content information correlated to the transmitted digital images.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
